

Peter John - Here are my favorite quotes from these letters. Any you want to keep please do just copy and send me back the copy.

1. Our Preacher preached on "Bread" yesterday but it was stale bread almost moldy bread. There was not enough power to blow the fuzz off a ganders nose.
2. I just heard a cassette about revival from a group who goes to Switzerland each year for a house party to 'talk' about Revival. That is like a group of farmers having a consultation in the Hilton about "the starving" in some country instead of breaking up the ground and sowing the seed.
3. We had a "dead" sermon from a 'dead' man Sunday. Even though he claims to be filled with the Spirit, he could have addressed the national league of funeral directors and not disturbed one of them/ His message was "faultily faultless, icily regular, splendidly null."
4. The Press today said that Policemen can now hypnotize folks and even get groups to sleep. What's new? Preachers have been doing this for years.
5. So Barbara Mandrell, the singer of lusty ballads and last years entertainer of the year, is going to sing at the opening of Oral Roberts "City of Faith" Maybe some zealous soul will yet invent 'sanctified' Bingo?
6. What about having a Annanias and Sapphira Sunday once a month in every Church in the Nation? This would clear out a lot of dead folks and get us into jail?
7. There are many preachers and teachers who are 'laboring for the Lord' who are bored doing so, they function because they were taught to witness etc etc. Yet these do not know a thing about Worship. Worship is the foundation of Loving Him and serving Him and close prayer with Him. Other things will fall into line as we worship.
8. We had a potato chip sermon again yesterday. What a travesty of preaching and what a tragedy that "the hungry sheep look up and are not fed."
9. A popular Baptist Church not too far from us started with Christian Drama, it is "so expressive and reaches the young people." It is now doing Fiddler on the Roof and other junk. These are all signs to the world that we have lost our anointing and will use their tools to try to do what is of the Kingdom. In other words we began in the Spirit and now try to finish off in the flesh.
10. It was the Lukewarm church that the Lord spued out of His Holy mouth (not the cold church but the church that has sound doctrine and was sound asleep).

11. I told a preacher here that the nation could lose 20,000 preachers and the spiritual power of the church would not drop 2 degrees. "The world disbelieves the Bible ... the church disobeys it."
12. The liberals are overboard on the Love of God. A brother stopped me on the street the other day he yelled Hi brother Ravenhill, My friend has a bumper sticker for you. "Smile...Our God is a Consuming Fire"
13. I am sure the Lord is not at home in His own 'church' these days. I can still see Him there OUTSIDE His Own House saying "I stand at the door and Knock" Not much longer will He stay there, there will be new manifestations of His Power and Glory before long.
14. These men handle the things of God and eternity as though they were directors of a country club. Who these days leaves the sanctuary overwhelmed by the Majesty of the Risen Redeemer or hushed with a Revelation of the soon coming Glory of the Eternal King? The disciples went everywhere preaching, not healing not singing not scooping up the shekels to build a Temple for the Lord. They were the Temple, their personalities were filled with the Holy Spirit. Do you ever wonder that they turned the world upside down?
15. God dwelleth NOT in temples made with hands. "What house will you build for Me to dwell?" Our churches are filled with empty people. How we need to pray with Charles Wesley
Enlarge inflame and fill my heart
With boundless charity divine;
So shall I all my strength exert,
And love them with a zeal like Thine;
And lead them to Thine open side,
The sheep for whom their shepherd died."

Dear Ones:

We thought to drop you a note to say that we Love you.

I found the enclosed poem a few days ago and thought that you might like a copy, and maybe your sweet daughters would like to memorise it? If they read it once a day for a month, it might yield them life-long benefits.

Last Sunday we were just getting ready for breakfast when a brother called to say "We would like to drop in to see you, we are just a few miles away." "They" came eleven of them, and they stayed three hours, they had had no breakfast and so Martha fed them then gave them a sack of food and a few dollars for gas! They stayed three hours, after that a fine young man came asking about finding the Will of God. We had a busy week and this week have other men coming from across the nation and one preacher from England wants to come for counselling! SO the Lord brings the folks to us instead of us going to them. There are certain folks in Atlanta who need help! we will get to them later.

What about having an Annanias and Sapphira Sunday once a month in every church in the nation? This would clear out a lot of "dead" folks and get us into jail?

A delightful brother came to see me a few weeks ago David Wilkerson brought him and they stayed more than three hours. This brother is praying a minimum of five hours a day and a maximum of ten hours. What a precious man he is. Maybe there are many like him (and her) hidden across the nation?

Ann and Erik will soon be off to the hot Bahamas, it is just as hot here, between 90-100 degrees. Guess you will enjoy your pool.

Our prayer meeting will resume hopefully early in September. There are a number of folk asking about it, they have not attended it before.

I am sure that the Lord is not at home in His own 'church' these days. I can still see Him there OUTSIDE His Own house saying "Behold I stand at the door and knock" Not much longer will He stay there, there will be a new manifestation of His power and Glory before long.

Have a real good week, our prayers are for you,

"Daddy" + Martha.

Gail dear: So good to have your letter news of the family. How kind of you to think of our grand children. Any clothes would be a tremendous help to them. Nanny girls are Lisa - just 15 years. Kratne 13 & Debra 7 years. Paul's children Debbie 14 yrs, Leonard 12 Brenna 5 yrs & baby girl 2 mths. Bob white called last night & I promised him some days in May. See you all then I V. Love to all the two boys.

Gail Dear:

Many thanks for your letter, it awaited us today when we got back from a two days trip to Waco. We had a house meeting there, it was well attended better still "the Glory of the Lord filled the temple"

Martha will add a note about the dresses. Needless to say we will be happy to pass them on the Paul and Irene or to David's Girls.

We certainly did enjoy our stay with you. Maybe we can make it for the Opera. It would at least be different.

I just heard a cassette about revival from a group who go to Switzerland each year for a house party to 'talk' about Revival. That is like a group of farmers having a consultation in the Hilto about the starving in some country instead of breaking up the ground and sowing the seed.

I am very glad that in Spiritual matters the race is not to the swift nor the battle to the strong. God does not bless rusty brains neither does He look for Gold plated ones. Soul health is not a matter of mental gymnastics but rather a matter of simple obedience. "They that WAIT upon the Lord renew their strength" This is more than a five minute Bible reading on some given theme.

Maybe you will reflect and later comment on the cassettes I send you on my view of Worship? There are many preachers and teachers who are 'laboring for the Lord' who are bored doing so, they function because they were taught to witness etc etc. Yet these do not know a thing about Worship. Worship is the foundation of Loving Him and serving Him and close prayer with Him. Other things will fall into line as we worship including "Tithing"

Gail Dear:

We received your newsy letter this morning.
 The Old Puritan Divine Thomas Fuller said "You cannot repent too soon, because you do not know how 'too soon' may be too late. Mr Schmidt should know this.
 How strange that he should say what you told him was 'works' what about infant baptism is that not works?
 The world is falling about us. I think that the world at this moment is about as safe as being in a room packed with boxes of dynamite with a baboon running about in it with a lighted blow torch.
 What a tragedy to hear a preacher say that he is a sinner, Just which sin does he practice? As believers it is not impossible for us to sin but it is possible for us not to sin. We do not sin because we have too but because we want to.

St Paul also said "Christ liveth in me" and our blessed Lord would not want to dwell where the enemy has a refuge,
 We need to keep this before us continually that the Enemy of our souls has one thing in view and eternal commission if you like it is "to kill and to destroy" even if he could he would destroy our faith.

I told a preacher here that the nation could lose 20,000 preachers and the spiritual power of the church would not drop 2 degrees.
 The "world disobeys the Bible the 'church disobeys it."

The liberals are overboard on the Love of God. A brother stopped me on the road the other day he yelled "Hi bro. Ravenhill. My friend says he has a new bumper sticker for you SMILE.....OUR GOD IS A CONSUMING FIRE"

I am tired of the theological technicians the swivel chair theologians who from their comfortable offices draw up new ideas for world evangelisation and never soil their hands to rescue the perishing/

We have had twelve visitors in 13 days and this means meals for most. Martha is tired but strong as ever.

Thanks for the delightful parcel, the contents are just lovely.
 We hope that you are getting some sun and sea and rest.

Know what? The Erwin Baumers are VERY dear to us, we pray for them daily.

Gail Dear:

We trust that you are all well and getting over the Turkey stuffing time.

Thanks for taking care of the broken plate. The fact is that when we got to the bottom of the things there was a *desert + salad dish* ~~plate~~ broken, The things were just 'packed' with a light paper but the box was no where near full and there was no packing to stop the abuse from travelling. The maker must feel sure that 'unbreakable' things he makes are Unbreakable. The P.O. accepts this as a challenge!

The Press today said that policemen can now hypnotise folks and even get groups to sleep. Whats new? preachers have been doing this for years.

I am amazed and deeply saddened when I realise how little the 'church' damages the devil and his kingdom. We are supposed to embarrass him but he has the edge on us.

I long to see the Lord 'Lift up His heel and scatter His enemies' At the rate that the 'church' is going millions will die without God and without hope.

So Barbara Mandrell. the singer of lusty ballads and last years 'entertainer of the year' is going to sing at the opening of Orals 'City of Faith'. Maybe some zealous soul will yet invent a 'sanctified' Bingo?

It will soon be May and we shall get to have some time with you and your dear Husband and the sweet girls. Great.

Gail Dear:

We were happy to receive your letter and to know what is happening with you.

Good to know that you had a great Easter, or rather Resurrection Sunday.

One can understand Papa Baumer's loneliness what a wrench it must be after long years of married life.

My sister in England almost in her eightieth year has just lost her husband after 53½ years of marriage. She wants to come and see us later this year though she has never been in a 'plane in her life. Eight hours flying from London to Dallas will be tough for a first timer.

Congratulations Adriene on your beautiful teeth. How come your Mom never commented on MY lovely dentures? What a world!

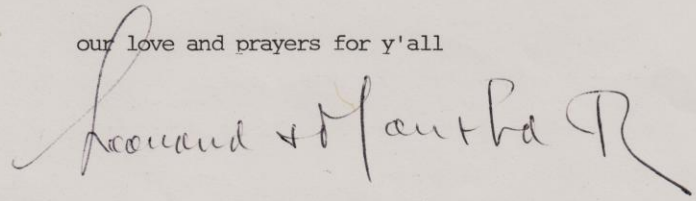

Glad that you like dear old man Follete what a breath of fresh air he brings to our thinking.

Our garden is looking great, The "Atlanta special" Iris etc are all doing so well

Tomorrow we leave for Ft. Worth, Four nights and three days at the Southcliffe B. C. Dallas has maybe 10,000 theological students we hear that many are coming to the meetings. We get back home Thursday and leave for the Brooklyn Tabernacle N.Y

Saturday, flying of course, back home three days then off to Chicago to speak at 'Moody', maybe at Wheaton College, do a day of taping on Revival for Chapel of the Air then spend Saturday with Richard Owen Roberts the book publisher and a number of men to pray and to study Revival. This is planned for nine a.m. to four p.m.

You all have a blessed week,

Gail Dear:

How do you like living in the snow capital of the South?

Your delightful parcel arrived today, nothing in it fit me but I do, along with Martha thank you for all that was in it.

Please ask your darling daughters to excuse me not writing to them a seperate letter . I am just swamped out.

Last week we went to a needy house group in Waco did not get there until too late to call Erik, sorry. We got back and within an hour had four students from Athens Ga. I told them I could give them 15 minutes, this stretched to four hours. I felt that it was a good session and they have since sent very warm letters saying that the Lord spoke to them in a new way. Last Saturday four people came, Two from Venezuela and the other man going to Peru, they were to stay a short time it extended to five hours with a fine prayer time at the end. So time speeds by.

David Wilkerson told me the other day that he listened to Dr Cho I think on T.V, or maybe radio. The crazy Dr said ' When you take communion each time you drink the wine it is saying "prosperity prosperity" and the Bread says "prosperity" This is as bad as the R. C doctrine of the sacrament. Then Hagan and Copeland had their congregation renounce that part of their marriage vow that says, "For better for worse for richer or poorer in sickness and in health, because he said this is negative there is no 'worse for the Christian no poorer no ^{sickness} worse only better. Also that there is no need to confess sin we just have to confess forgiveness. One wonders where these men get their novelty theology.

We pray that you will have a delightful Time this Resurrection day As an old saint said of the Resurrection morning, "Today He rose and left the dead and satans empire fell/"

"Love's Redeeming work is done" hallelujah.

Remember when folks used to send their children to a finishing school? I think they are all finishing schools now ,when the children leave they are finished."

I am convinced that wet eyed preachers never preach dry sermons. The radio preachers are comrades in ALMS.

Just miss you all lots,

Gail Dear:

A VERY blessed New Year to you all.

Thanks for the parcel and contents it, arrived a few hours before Paul and Irene left. The belt is fine. I shall have to preach with my coat open so that the folks can see that this is a P/C belt.

By now you should have help. I thought that since you have no car the camel might help for shopping, DO be careful crossing intersections he is so slow.

A friend is sending me Kays book. The one we sent I have not read for years but I am sure it gives a better interpretation than Kays junk.

Kay needs to abide by her calling. Good writing is not easy to come by. I think that we transfer some of the burden of our spirits when we write. Re-hashing what other people have written is a waste of time and helps to cripple what talent we may have in this area. "There is a saying," the man who does not quote will not be quoted. But this does ^cnt mean that we steal other folks material and just re-varnish it.

Paul, Irene and the family had a good trip home, the baby travelled well. Thank you and the friends there for praying.

We have had very wet days but not like the dear folks in Louisiana.

I still have lots of mail to answer. We had a quiet week-end, Just rested and read to each other. Sure enough we had three visitors, then two the next day and four more booked in the next few days. So there goes the ideal week.

Give the girls a hug and kiss for us. Tell Erwin that we love him and miss his cheery words.

WE love Y'all and thank Him for the gift of your priceless friendship.

Gail dear. So good to hear from you again. I've look forward to seeing you in May. Can I ask a big favor of you. Our son Paul (Paraguay) will be home for 2 weeks from Nov 10th. I would love to send back with him 1 box of those white plates & salad or fruit bowls both sizes in plates they would be such a blessing to them on the mission field. Enclosed is check to cover cost. Thank you Gail. We leave for a meeting Oct 23rd.

Gail Dear:

How good of you to invite us to your lovely home for the time in May. We will do this unless we have to have morning meetings in Roswell and that would mean a lot of travel there twice a day?? We could come down after the Tuesday night meeting and stay that day, Opera at night!! and then leave Thursday to get back here for the prayer meeting.

I must have done something wrong at W~~at~~kinsville they have invited me back for next May. We can fix this up with the meetings at Roswell.

WE will be happy to have the plants, thanks for the details on the planting.

While in Nacogdoches this week we learned that the Mormons are going to build a 'church' in Tyler, one on Nacogdoches and a Temple in Dallas. They march on.

This morning Steve. Young the grand, grand grandson of Brigham Young was on T.V, he is a super-quarter-back for the B.Y. University. The interviewer asked him is he felt very great about his pedigree he answered, "Well I am proud of being a distant relative but then Brigham Young had 52 children. And how many wives The enclosed from Newsweek is more than interesting.

We have had torrential rain today and have a thunderstorm at the moment.

The Middle East Situation is critical one can only pray "In wrath Remember Mercy" we do not deserve this.

I trust you are having good times of prayer with Ann. and Anne. What a blessing to have those of like mind together.

We are at Park Avenue Baptist Church Nashville from Oct. 25---30th. Pray for the meetings please. I have to speak to the preachers Monday 26th. and to a number of the Law students at Vanderbilt U. the next day. I pray that God will rend the Heavens,

Edwin, Gail and Girls.

Hearty Greetings from hot Texas.
WE were blest and refreshed by your gracious hospitality.
Many thanks for it, and for the very helpful gift.

WE stopped for dinner and I thanked the Lord Martha said "Thank you Gail" It was great.

I talked with Keith Green that day we arrived back. He is excited about a book from Bethany Fellowship "The Promise of The Spirit" By Charles G Finney. The introduction is "How Finney helped Americans discover THE NEW COVENANT: Righteousness through Grace," I am sure that you will want to get it Gail and Ann also.

Now I have stacks of letters to answer but wanted to get this to you before starting to move this pile.

Just sorry that you are so far away. What a joy it would be to drop in to see you now and again.

Enclosed is the article on the Kanadu's maybe you know an evangelist who is looking for a summer home?

We have three delightful weeks at home, if we can keep the phone quiet and not too many visitors, I may get some writing done.

Last night we had a very powerful prayer meeting. How the boys from Africa pray! They know the cost of discipleship and how communism has devastated their many countries in that continent. Their cries for Holiness were awesome.

How blessed it is to know that HE ever liveth to pray for us.

I want to be able to say from my heart with Mdam De La Mothe Burignon

Nothing on earth do I desire
But Thy pure Love within my breast
This only this will I require and freely give up all the rest.

I am sure that an undivided heart was the secret of St Pauls great ministry.

Our love to you both and to those sweet daughters,

Gail dear, My sincere thanks for all your love & care for us & a big thank you for the lovely creamer & sugar bowl & for all the plants. The wey is all in now & I'm trusting it will grow. Girls thank you for the banana bread. It is very good eating. Love to you all & to Ann & Ann. Martha.

Gail Dear:

The vegetables arrived safely but you forgot to say how they should be cooked. Joking apart we are grateful for the plants, they are planted. We expect to enjoy them for years to come and will lift them if ever we leave this house.

I am glad that you enjoyed the cassettes, Hope that Ann. and Anne can copy them. Day is Dying In The West is one of my favorite hymns though few know it. and Dearest Lord Jesus moves me to tears even if we sing it every night.

Any Scriptures that move us to Worship will gladden the heart of the Lord. We often sing Holy Holy Holy in the Friday night prayer time I like the second stanza ALL the saints adore thee the living ones and those in the Upper Choir.

Rev. 4. I would like to open that door in Heaven just an inch and let every believer see into Eternity just for five minutes, they would never lose their zeal never complain that the road is rough. The blinding Glory of that vision would be a sight impossible to erase. What a shame that 'going to church' is such a chore to millions who go there even in their boredom because they are conditioned to do so.

WE leave tomorrow. Have to preach six nights, four mornings make five broadcasts, preach to preachers then to Law students at Vanderbilt U. quite a work out. I am not able to carry such a schedule but HE is. Praise Him.

Bethany has just done a nice issue of A Treasury of Prayer if you do not have this I will send you one when we return. This for Ann and Anne also if they do not have one.

*P.S. Congratulations

Dear Steve:

It is with disappointment that I must relay to you that because of other program opportunities this fall that suddenly became aware to us, we are not able to continue Kay Arthur's HOW CAN I LIVE? series this fall. The last air date will be Tuesday, September 22. Unfortunately, there is no other time available anywhere in the schedule. Regrettably, we are not like a newspaper and can simply add another page to get all we want in our paper but are limited, of course, to the broadcast day. With the changes that are underway at our network, there is simply no other place available.

Thank you so much for making this program available to us, and I pray that you will find other good outlets for its message. Thank you very much.

Sincerely yours and His,

Gail Dear:

I have for you good news and bad news, The GOOD News is that Jesus is Coming, the bad news is that we are not coming.....to see you, Not at present. I do not feel equal to taking ten days away from home with all the burden that preaching means. If I cannot preach the right way then I do not want to preach at all. For a few days I have had some shortness of breath, maybe the heat and pollen count has brought some of this on.

I am supposed to be one of the speakers at a conference in Atlanta nov. 5.6.7. I think there are students from six States meeting there. Hopefully we can have a day or two with you then.

We had a painful time last Sunday Resurrection Day and a mess of a sermon if that is what it was. The preacher tried to convince us the the Shroud of Turin is the actual death wrapping of Jesus. There are no blood marks on the shroud just dark brown markings these he suggested are scorch marks from the heat of the body of Jesus in His Resurrection power. He added "We have more evidence than ever that He rose from the dead." Phew! when did the Bible have to ask for mere mans approval of any of the works of the Lord?

The ivy is looking great and the Iris plants also. Roses are beautiful, but the heat is too much for Spring!

Just keep loving us even with ALL our faults.

"O that Thou would'st rend the Heavens and come downⁿ is our prayer" Judgment cannot be far off, O God in wrath remember MERCY."

Dear Ones;

A VERY blessed New Year
to you + to your darling daughters.

For a week or more you
have both been heavily upon my heart
I do not know why but He does.
I pray daily for you.

Today I received a letter
from a Christian lady in Ireland.
It contained the news that one
of the most outstanding + spiritual
preachers recently committed suicide.
The country is shocked.

Maybe this year we will
get to the Big A. as you call it
A. surely has a place in my heart.
Paul + Zone + children are here for
a couple of weeks. Gas went up

is \$6000. Paul's neighbor bought a medium sized

Love + prayer, "Daddy" + Martha. OVER.

P.S.

The mail this morning brought a letter from dear Ann. She mentions your Precept class. Gail & how great the people are with your concern for them - better still your "closing prayers". Most folk have inner bruises, untold ones - unbreathed longings. An old hymn says

"Earth has no sorrow

That Heaven cannot heal"

Michael Angelo was checking the work of one of his pupils - he wrote on it "amplius" - on more width - we all need this in our vision

Blessings - Peace - Joy

To you all

"Daddy" & Martha

P.S. your kind note just arrived.
Many many thanks,

our love "Daddy"

P.S.S. I was just re-reading your letter & found the check. Many many thanks. sub.

Dear Gail,

Just a short note to say thank you once again for the beautiful clothes. The boy must have come a month ago at least & was so appreciated. Our Debra can't wait to wear the deep red track suit & it should fit perfectly next year. Everything was gorgeous.

Thank you too for your pictures. We'll put them in our big album. Our days are very

busy here & Dave has a heavy schedule, but we feel the Lord is speaking to our church to seek Him first in everything. Without His strength & time with Him each day, it is impossible to serve Him. I'm sure you've learned this along the way too.

I must close, but may the Lord richly bless you & your family. Thank you for everything.

He who has heard let him hear.
By the way we listen
What kind of a listener are we?

Types of listeners
1) Passive by wayside - birds catch up
evil one snatches away.
Closed mind passive

not anxious to grow
result of calcified heart:
having heard many times & response
a. pride - do not know they
need the things of God
b. fear - afraid lifestyle will be

it grows into other seems

2) Clouded Mind
Sallow seed sown in rocky place
receives word & joy, - falls away in

no renewing the mind not
routed & persuaded - can't
tell you why they believe it.
not thought to life

3) Choked Mind (Cluttered)
Seed among the thorns
choked them out
worries of world, deceit of riches
a cluttered mind is a barrier
to God's word.

4) Committed Mind Good soul

Erwin, Gail and Girls:

Greetings from cold Texas.

You all were so gracious and generous to us we thank you in His name. "In as much as you have done this to my little ones ye have done it unto Me" So said our wonderful Master.

The trip home was quite good. Much of the way we talked except when a Mr. Frank Boggs interrupted and a sweet voiced lady joined in. Maybe Gail you can persuade Nancy and Frank to make a duet of "When Peace Like a River" ?? What a masterpiece it would be!

I thought that there was more liberty to preach at the Wednesday morning meeting at Ponce de Leon than in the evening service. Well we must sow beside all waters.

Now we have very pleasant memories of your delightful home, the chats and the meals and the sweet daughters. How blest you are.

As usual I am pressed beyond measure with mail and with folk who want interviews, but these must be helped also.

Our grateful thanks for your gracious gift herewith the receipt.

You are all daily in our prayers,

Our love,

"Daddy" and Martha.

We love you & thank you for all your great kindness & love to us. Enjoying the lovely Chinese Planter - a constant reminder of you all.

Gail Dear:

Thanks for your letter.

I too feel that Virg. Owens has hit the nail on the head. I care not a hoot for what the 'Big Preachers' say about the 'church; What does God say.? Has he told us what the 'church' is? if He is the same yesterday today and for ever then the church is also.

The whole Epistle to the Hebrews is written to believers. Note Chap. 2 verse 3. How shall we escape if WE neglect (not deny) SO great Salvation verse 4 explains what this great Salvation is "sign wonders

and with divers miracles, and gifts of the Holy Ghost ACCORDING TO HIS OWN WILL'

The 'scholrs' so called have told us that 'the miracles and gifts finished with the end of the N.T. What a senseless alibi. We are caught 'wretched and naked and blind' and yet will not repent. Since when are crowds a sign of blessing. I still say that the Sunday morning crowd shows how popular the church is the evening crowd shows how popular the preacher is the prayer meeting crowd shows us how popular the Lord is.

If you have not read Dr Tozers The Knowledge of The Holy it is a meaty.

The Blessed Holy Spirit HE brooded over the dead world the Spirit moved and the earth was formed. He brooded over the Virgin and the Christ was formed, He brooded over the frail men in the Upper Room and the 'church' of the N/T was formed. Unless He BROODS over our generation we are lost .

Our preacher preached on "Bread" yesterday but it was stale bread almost moldy bread, There was not enough power there to blow the fuzz of a ganders nose.

Next Monday we will be leaving for the Bahamas for three weeks, to rest and maybe write certainly to do some close reading.

Spring will soon be here, the roses are budding already.

Our love to you all.

GailDear:

We have a gorgeous day here, warm with a cool breeze starting to blow and so wafting the rose perfume my way. What a way to work.

Many thanks for the slacks they are the shade I like.

Martha is still the prisoner of her cast, we go to see the Dr. again tomorrow, but it seems that there is another week to go before her liberation.

Had a wonderful time at Moody. It was Finals week and so there was not the usual crowd but there was UNusual liberty in giving the Word many sought the Lord at the end, and days later I had a phone call to say that there were still repercussions from the message. Had a blessed day with about thirty seminary men in Wheaton good study and good time in prayer.

The meeting in Brooklyn N.Y. was awesome. One night there were over 1000 people in the prayer meeting and the place did seem to shake.

You really MUST get "Knowing God" by J.I. Packer a fine Englishman!! but a better Christian with a very feeding and yet challenging book. His chapter on the wrath of God is superb in my estimation.

Are those darling daughters getting excited about Europe? Will you get this way during, June? Dear Erwin I have permission for you to play a private Golf course here by a lake and I can get a partner for you and do the caddying myself...for tips. Hope you can make it.

Some preachers pray for the dead I preach to the dead, O that they would "awake to righteousness and sin not."

There is some theological contention around here about the limited foreknowledge of God. Well if the Mighty God of the universe does not know everything who is going to teach HIM?

Our poor conceptions of God and His Majesty and Holiness create scanty horizons and give us self inflicted wounds.

How glorious is His name and mighty His works. His best work is in our redemption and total recovery from Adams fall so that we might be "His workmanship created in Christ Jesus unto good works."

Y'all have a good week.

Our love and prayers

We have a lovely day here, warm but not hot. How good if we can have this weather all the summer???

It is good to know that Mr Baumer is home again. We trust that he will continue to improve.

David Wilkerson's wife went into hospital in Dallas yesterday with a kidney problem. Dear soul she has suffered so much. Great is the mystery of Godliness. Sinners often seem to have a painless life. The Psalmist said that he wondered why the wicked prospered UNTIL he saw their latter end.... they died without hope.

Martha, David and Lisa are out shopping again this afternoon, I would need a skateboard, to keep up with them. They are all skilled shoppers, seem to have a 'nose' for the bargains.

We had a potato chip sermon again yesterday. What a travesty of preaching and what a tragedy that "the hungry sheep look up and are not fed"

The state of the church is so bad that we need to preach to the preachers, teach the teachers to evangelise the evangelists. But the 'church' is dearer to the heart of God than to my heart and He will unleash His Super power once again I am sure.

A popular B.C. not too far from us started with Christian drama, it is "so expressive and reaches the young people" it is now doing Fiddler on the Roof and other junk. These are all signs to the 'world' that we have lost our anointing and will use their tools to try to do what is of the Kingdom. In other words we began in the Spirit and now try to finish off in the flesh.

It was the "Lukewarm" church that the Lord spued out of His Holy mouth not the cold church, but the church that had sound doctrine but was sound asleep.

It would be so lovely to sit on the porch and talk with you, but we must wait. That time will come.

Our love to you both and to the precious girls.

Gail Dear:

We trust that this finds you safe and happy after the rough wintery days there.

We have had a roaring thunderstorm today. The Heavenly orchestra certainly beats all the earthly ones, how those thunder claps roar. What will it be like when He shakes the Heavens and the earth?

Tomorrow is Martha's Birthday what a blessing she has been to me and still is.

We had a 'dead' sermon from a 'dead' man Sunday even though he claims to be filled with the Spirit. He could have addressed the national league of funeral directors and not disturbed one of them. His message was faultily faultless, icily regular, and splendidly null.

These mere men handle the things of God and eternity as though they were directors of a country club. Who these days leaves the sanctuary overwhelmed by the Majesty of the Risen Redeemer or hushed with a Revelation of the soon coming Glory of the Eternal King? The disciples went everywhere preaching, not healing not singing not scooping up the shekels to build a Temple for the Lord. THEY were the Temple, their personalities were filled with the Holy Spirit. Do you wonder that they turned the world upside down?

God dwelleth NOT in temples made with hands. "What house will you build for Me to dwell in? Our churches are filled with empty people.

How we need to pray with Charles Wesley

Enlarge inflame and fill MY heart, with
With boundless charity divine;
So shall I all my strength exert,
And love them with a zeal like Thine;
And lead them to Thine open side,
The sheep for whom their shepherd died.

I say again that a sick church in a dying world is a sad sight.

Yet "every knee shall bow, every tongue confess that Jesus is Lord to the Glory of the Father. What a day "The Day for which creation and all its tribes were made,"

Was it Ruskin or Browning who said Grow old along with me the BEST is yet to be. Glory Glory,

sweet girls.

ARE THE THINGS YOU ARE LIVING FOR WORTH DYING FOR?

LAST DAYS MINISTRIES

BOX 40, LINDALE, TX 75771

Our Dear Friends in Jesus,

May this letter greet you with the same grace and strength that our Father in Heaven has poured out upon us here at Last Days Ministries.

For those of you who have not yet heard, we have suffered a great loss here at Last Days. On Wednesday, July 28th, a small plane we were leasing went down in the woods shortly after take-off, near our ranch in Lindale. All twelve people on board have gone home to be with Jesus. Among them were Keith Green and two of his children, Josiah David and Bethany Grace, one of our pilots, Don Burmeister, and John and DeDe Smalley and their six children. The Smalley family were personal friends of Keith and Melody and were visiting at the time.

We ask that you would please be in prayer for the families of those who have left us. Please especially remember to pray for Melody, Dawn, Rebekah (1 yr.) and the child that Melody will be having in March of next year, and also Don's wife, Janet, along with their two sons, Erik (8 yrs.) and Jon Karl (6 yrs.).

Keith had planned to do two benefit concerts for the Youth With A Mission ship, the Anastasis, which he and Melody visited in Greece a few months ago. We are really blessed to share with you that The Second Chapter of Acts will be doing these concerts on Keith's behalf and for the glory of God. We will also be showing part of one of Keith's most recent concerts by large screen video projection. The message he shared had been burning in his heart and we rejoice that you will still be able to hear it.

We are so grateful that these concerts did not have to be canceled since Keith and all of us here have been really excited about the ship ministry. They are scheduled: in Portland, at the Portland Memorial Coliseum, on Aug. 28th at 7:30 pm. Our local directors there are Kris and Cherise McVicar (503) 244-5755. In Seattle, at the Seattle Center Colosium on Aug. 30th at 7:30 pm. Our director there is Keith Rinas (206) 363-6651. If you live in the area we hope you can attend.

As for the other concerts that were scheduled this fall, we are not yet sure what we are going to do. We may do something with video--but at this time we can't tell you anything for sure. We will keep in touch with you through the Newsletter and let you know when we decide.

Keith had just completed an article for the next Newsletter a few days before the accident. We will be excited to print it in our next issue which we will be sending out in early September. We want you to know that we will be continuing to minister through the Newsletter, tracts, albums, and teaching tapes as well as new avenues of ministry as the Lord leads. At this time more than ever we desire your prayers for there to be clear guidance for this ministry that we may continue to do what pleases the Lord.

Memorial funds have been set up for those desiring to give. Melody has established the Keith Green Memorial Fund, and all funds will be used for ministry, missions and outreach as designated by Melody and the board of directors at Last Days. Don's wife, Janet, is establishing the Don Burmeister Memorial Fund, and all funds will also be used for ministry, missions and outreach, as designated by Janet and the board of directors.

We thank you all from the depths of our hearts for your labors in prayer on our behalf as well as your many offers of kindness and help. We know that you too feel the loss, but we are praying that the vision that God had given Keith will be multiplied many times over in the hearts of those who love Him--to go forth in the power of God and reach the world with the love of Jesus. Thank-you for all of the encouragement we have received, both recently and in the past, from all of you who have written. May the Lord's name be lifted up in greater love and zeal than ever before as you give your hearts fully to Him. Thank you all for your prayers--please continue to lift us up before the throne of God. We love you so very, very much!

Wait for the Lord; be strong, and let your heart take courage; yes, wait for the Lord. Truly, truly, I say to you, unless a grain of wheat falls into the earth and dies, it remains by itself alone; but if it dies it bears much fruit.
